Dear Irene,

On behalf of the staff here at the International Rescue Committee in Tucson, I would like to thank you for the six hour interpretation training you conducted on 8 September, 2012. Your planning, dedication, and hard work was evident and very much appreciated.

The IRC in Tucson recognizes you as a valuable community member who understands the importance of service to refugees and the diversity of peoples. You are a consummate professional and did an excellent job; we were lucky to have you. Our interpreters were very thankful for the opportunity to learn and grow, and that is all thanks to you.

Refugees here and around the country struggle with language barriers every day. That's why we place such importance in interpretation and why your work is a crucial part of our mission. We thank you once again for your exemplary service in benefit of the refugee community and hope to work with you again in the future.

Sincerely,
